

SANDHILL RIVER WATERSHED DISTRICT

August 1, 1956

On the request of Henry Nolte, the board was called out to inspect the Right of Way at his place. W. Billing's, engineer for the Army Corp, replacing Art Johnson who was on vacation for five weeks, together with Omar Rood and all members of the District Board agreed to spare Mr. Nolte's small grove from being covered by taking the dirt across on north side. The change in plow being very minor.

In the evening, Rudy Billing, Chairman of Reis Township Board, called and asked the District Board to meet with them the next morning at the Tupper bridges.
