   The managers reviewed their expense reports and reported on activities for the month. A **Motion** was made by Manager Brekke to approve and pay bills, with the exception of the SWCD balances which are listed for informational purposes only, **Seconded** by Manager Swenson, **Carried**. For further reference, copies of the bills approved are attached hereto in the Treasurer's Report.

5. **Engineer's Report**

   **Project # 24:** Pedestals are ready for installation when conditions allow.

   Langan toured the site. The outlet structure was noted stable. Downstream of the outlet is expected to show bank failures and is possibly a candidate for BWSR clean water funding when that occurs.

   There is sediment upstream of the sediment control structure as a result of the Spokely potato plant. A letter will be sent to Spokely asking them to clean out the sediment as per the agreement.

   **Nielsville Ring Dike:** The EAW was completed and is available for comments by various agencies. It is the hope that construction can coordinate with the upgrade of Highway 75.

   **Climax Ring Dike:** Houston Engineering is developing easements for the flood levy and the limited use areas associated with the levy. The levy portion of the project depends upon funding in the bonding bill. In the next three years, Climax will have significant infrastructure changes.

   **Storage Sites:** Work is still being evaluated on storage sites in the upper reaches of the Sand Hill River.

   **TMDL:** A project meeting was held to discuss the findings of Task A – HSPF modeling.

   **One Watershed/One Plan:** A June notification for application status is expected.
Biannual Budget Report (BBR): The BBR was completed and submitted.
