**SAND HILL RIVER WATERSHED DISTRICT
PROJECT TEAM MEETING
*I.E. Project Planning Meeting***

**SHRWD OFFICE--219 NORTH MILL STREET, FERTILE, MN
Tuesday, December 9, 2008 @ 10:30 a.m.**

AGENDA:

1. Modeling/Overall Plan Update
2. Engineering report on alternative sites (Garden Slough, Bear Park, Winger) – Lawrence Woodbury
3. Drainage Inventory map – Cathy Henry

We have had poor attendance at our past several meetings. Please make an extra effort to attend this meeting. Lawrence has some rather astounding modeling information to present which will be used to give direction to water quality/quality initiatives. This is a MUST attend meeting!!!

****Please remember if you have information to present to the project team; please have a written report prepared to increase effectiveness of the mediation process.*
